November 2008

Dear Friends and Supporters,
As you are about to begin the Holiday Season with this coming **Thanksgiving**, we also give thanks to our God for the joy and blessings of serving Him!
Thank you for your **faithful partnership** in our missions endeavors to **Germany!**

‘Auf dem Weg...’

Once again, the conference room was beautifully decorated, filled with joy and to capacity (60) as our second **Ladies’ Breakfast** took place in Holzkirchen on the 28th of October. This time the topic was ‘Auf dem Weg’ (‘On the Path’) using **Psalms 37:5** as our text verse. Numerous ladies were touched and moved to tears as **Jutta Ammann** shared her heart-touching testimony of her life’s path to Christ.

We are filled with thanksgiving as the ladies are expressing their desire to receive more. Please continue to pray with us that these ladies might come to know Jesus Christ as their Lord and Savior. Our next meeting is planned for February ‘09.

On The Move Missions Outreach

Through Rick’s vision and personal initiatives the first Missions Outreach of **Youth Alive Bavaria South** has been carried out to the country of **Czech Republic!**

On August 15th-30th **24 enthusiastic teenagers and young adults** traveled to Czech for 2 exciting weeks of evangelistic outreaches and ministry. The finances to support this trip had been raised through various activities and services in the Bavarian Pentecostal churches. The well briefed ‘On The Move-group’ ministered on the streets of Prague, shared personal testimonies and ministered through music, mime and God’s Word in the town of Postovize.

It’s awesome to see how the young people of Bavaria are catching God’s vision for Missions in bringing the **Good News** across their borders in Europe!

We Give Thanks

At this **Holiday Season** we wish you all a wonderful **Thanksgiving** and a blessed **Christmas!**

Kristiina, Stephanie and I are counting the days until we will be reunited (Dec. 3rd!) with Rick, their great Daddy & my awesome hubby after almost 3 months of separation for itineration travels. Even though we can’t spend Thanksgiving together as a family, we thank our God for His Goodness, All-sufficient Grace and His Daily Care & Provision for us. Despite the times of loneliness and some difficult moments during Rick’s itineration tour, we have been daily touched by His love and our hearts are filled with gratitude for His never-ending faithfulness!

Thank you for your partnership in our ministry to Germany, your continued faithfulness of financial giving and your prayer support, it means so much!

Next Mission Alive update: ‘Dran Am Leben’ Youth Festival.

Please help us update your address & email address.

Love in Christ,

Have a blessed Holiday!
We thank God for You!
