#### SILVA BIODATA INFO (2008)

Ty and Cina Silva have been Assemblies of God missionaries in Asia Pacific since 1980, based in the Philippines. The focus of their ministry has been helping to establish student ministries across the region and training workers in youth and campus evangelism and discipleship. They have published a number of training, evangelism and discipleship materials being used throughout the region, including "Campus Prayerwalking". Rev. Silva is also the dean for the Asian Institute of Youth Studies program at Asia Pacific Theological Seminary in Baguio City, Philippines.

The Silvas also serve as Book of Hope-Asia Pacific regional directors. (The Book of Hope is a scripture portion arrangement of the life of Jesus from the Gospels, presented in a magazine format.) Since 1998 more than 50 million Asia Pacific children and youth have received their own copy of the story of Jesus through the Book of Hope.
